Dear Macmillan,

I enclose MS. draft of the proposed appeal for the Ramsay-Hogarth expedition to Cappadocia. next summer. I shall be in town on Thursday next Dec. 10th. Would it be possible to have a meeting of the A. M. Fund Committee that afternoon I could come to any place, at any hour

between 2 – 6.30 pm.
If this is not practicable
cd. I see you in
Bedford St or elsewhere

The V. Chanc. has I
hope notified to you the
Election of a student for
B. Sch. Att – He is a
1st class man in Greats & &
though a beginner in archaeo-
logy is thought well of
by Gardner.

The new Craven Fellow
Richards will, I believe,
go out soon after Xmas
You will be glad to hear
that there were 7 candi-
-dates for the £50. Studentship
– A third Oxford man will
probably join the School
in January – viz Stainer
of Magdalen (Son of the organist
Professor) 1st class in Greats – He
will go out at his own expense
He has been working with
Gardner.

Yours ever
Henry Pelham
