My dear Macmillan

You will be glad to hear
that the Peruvian govt. has sent
~~£~~ marks 500 to aid my explorations.

There has not yet arrived
any order for money for me: but
the bank took my cheque on credit.
I hope you will send the rest of the
money as soon as possible.

Brown & Hojarth went
yesterday. I have been waiting
for money & start tomorrow. The
£ 25 I brought from London is
of course not nearly enough to
start up country on:

Yrs always. Truly,
Wm Ramsey
