Following the successful receipt of funding from The Hellenic Society Council please complete the following feedback report detailing how successful the project was; how it was received by students as well as how the money was spent. Please attach any appropriate photographs to the email that may be used by The Hellenic Society in promoting your project and sharing it on the *Grant News* section of the website.

Please **email** the completed form and any related documentation by 1<sup>st</sup> October or 1<sup>st</sup> May to: [office@hellenicsociety.org.uk](mailto:office@hellenicsociety.org.uk)

**Name of applicant: Kelmscott School**

**Brief description of the project for which the grant was applied for and subsequently used:**

The grant allowed us to purchase resources for staff training and for a student extracurricular club.

We used the primary resources to introduce the alphabet and basis grammar to staff and students. This provided them with the confidence to move on to the GCSE textbooks and supporting resources.

We will be delivering a Greek taster session to primary school students as part of our transition programme and in the summer holiday.

**Date or period of project:**

The training has been taking place on an ongoing basis and is still taking part. The extracurricular Greek club meet weekly.

**Was the project successful? Did it engage the students? Please add any anonymous student comments that could be subsequently used by The Hellenic Society for a write-up of the project.**

The project has been very successful. One staff member is currently taking the GCSE Greek exams and the other remaining staff are continuing with their studies. WE did begin with 10 staff training but, due to other commitments we have finished with 4 continuing.

The Greek Club for students has been running since October 2017 and takes place every Friday lunchtime. Attendance is excellent with 6 dedicated students who are all keen to study for their

GCSE outside of school time as an additional qualification and we are currently assessing whether this may be a viable opportunity.

The Greek Club members, and staff studying Greek, will be visiting the British Museum to have a guided tour with Natalie Haynes and will visit the classics section at Waterstones.

We are planning booster sessions for both staff and students this term and over the summer.

The school is currently considering adding Greek to the curriculum timetable as a dedicated lesson for Year 8 students.
