Dear Macmillan

I quite agree as to  
Ramsay's request. I do not  
know about Pelham: he  
meant I think to go to  
Carlsbad. where Mrs Pelham  
was sent by the doctors. so  
I return the letters to you.

If by chance you come on  
in this direction please let  
me know. I shall be here  
till the first week of October  
Yours very truly  
D. B. Monro.
