

20, LANGHAM PLACE.

21. March 84

Dear Sir Macmillan,

I am quite willing
to repeat my last years
contribution to the A.M.
exploration fund. — £10.10

Will see what can be
done with the geographical
Soc, on Monday next. It
is rather unfortunate that

the application comes
before rather than after
In C. Wilson taken. —

Yours
J. H. Johnson
