

A meeting of Council

was held at 22 Albemarle St on Thursday Oct. 20 at 4.30. P.M.
members present: Messrs Tozer, Fennadius, Thompson,
Gardner, Butcher, Myers, & Macmillan (Hon. Sec.)

Mr Tozer being voted into the Chair the minutes of the
last meeting were read & confirmed.

The following were elected members of the Society, Rev
John Langhorne, Mr J. C. Tarver, Dr Emil Tudeer, Prof. S. F.
Armstrong, Prof. W^m Nesbitt, Prof. Hastings Crossley, and
Mr Thomas Woolner R. A.

Some fresh candidates having been proposed the
Secretary brought forward the question of the days to be
fixed for the general meetings in 1882. It was decided
that these should be held on Thursday Feb. 14, Thursday
April 20, Thursday June 15, and Thursday October 19,
at the same time & place as before.

The Secretary submitted a roller in which the Plates
accompanying the Journal might be sent to members
resident abroad at a much lower rate than that
charged by the Globe Express Co. It was agreed that this
should be adopted, except where a large number of
members resident in one place made it worth while to
make a single parcel to go by Parcel Express to some
convenient centre of distribution.

The Hon. Sec. read a letter from Professor Goodwin of University College, London, resigning his place on the Council on the ground that he found himself unable to attend meetings. It was decided to accept the resignation if Prof. Goodwin was anxious to be relieved of the responsibility, but not to fill the vacancy until the next Annual Meeting, unless some good reason should arise for doing so. The meeting then broke up.
