Quotes from children

"I enjoyed the VR workshop on the headsets because it was fascinating seeing and learning about the Greeks up close."

"The Greeks VR workshop was really fun, and we learnt a lot about the Greeks."

"I enjoyed the VR workshop because we got to have a chance to see what VR is really like. I really enjoyed it because there were loads of fun facts and the lady was nice. It was very fun to learn in a new way."

"The Greek VR workshop blew my mind!"

"I found it very realistic and it was fun."

"It was fun and we got to learn about new things we hadn't learned about yet in the classroom."

"Every detail was mentioned."

"My favourite part was when we went through the museum."

"I found the part about Zeus and his daughter interesting."

Quotes from teachers

"The VR workshop on the Greeks provided the children with an immersive, hands-on experience. They thoroughly enjoyed it, and it helped them retain key information while making learning fun and engaging."

"The Ancient Greeks VR workshop engaged our year 5 children by walking them through the three periods of Greek history with focus on the Gods and Goddesses, Olympics, temples and Alexander the Great."
