

## VDK Dance Company

On the 11th October 2024 we went to Cheney school in Oxford to deliver our Greek mythology dance performance and workshop, supported by the grant from the Hellenic Society. We received some lovely feedback from Lorna Robinson: 'Jessica and Harriet from the VDK Dance Company performed mesmerising Medusa Dance Performances for students and visitors with entrancing music. The movements evoked Medusa and her snaky locks very powerfully. Each performance was followed by a workshop where people could learn some of the dance techniques themselves.'
