

THE SOCIETY FOR THE PROMOTION OF HELLENIC STUDIES

22, ALBEMARLE STREET,

LONDON, W. 15.4.04

Dear Macmillan,

I enclose you a letter
from Bosanquet in case you like
to take any action upon it,
or direct me to do so, before the
next Committee meeting.

I quite agree with what
Bosanquet says about Marshall—
unless there is chance of any
publication emanating from him
by way of exchange.

Sincerely yours

John P. Baker Penoyre
