My dear Macmillan,

I enclose a subscription to the Cretan Exploration Fund. We have many claims on Creta, and I hope we shall do well there. I suppose in course of time we might be able to contribute something from the Hellenic Society, though this year our funds hardly admit of it. Is there any possibility (as the School is concerned in both schemes) that our subscription to the Frilay fund might be

transferred to the Cretan fund? I would much rather strain our resources for the latter purpose.

I am sorry you have had to change the Council meeting from the 19th to the 22nd, as I am not certain of being able to come on the latter date, and as I have been away for the last two or three meetings I should be sorry to miss another. However I hope I may be able to get there.

Yours very sincerely

F. G. Kenyon.
